

To Whom It May Concern

I was the chef/owner/operator of "olivekitchen" Shop 5 Market St Breakfast Point NSW from November 2006 through till end April 2012. olivekitchen is a very successful café/food store operating seven days a week, serving breakfast and lunch. During my last three years at olivekitchen I only ever used Cancot's Chef's Selection Premium deep fry cooking oil in my kitchen.

Cancot's product always fully meet my cooking requirements, was very consistent in quality, competitively priced and delivery problems never arose. Overall I always found Cancot's oil value for money and a quality product. I also found Cancot's owner (Peter Marshall) very approachable.

I strongly recommend Cancot's product and have no reservation in stating that it's perhaps the best product of this type I have used in a very long time. Should you have any questions, please feel free to contact me on the number detailed below.
